Top of the World: Surviving the Manchester Bombing to Scale Kilimanjaro in a Wheelchair - Martin Hibbert</b></p> <p style="font-size: small;">In 2017, Martin suffered life changing injuries in the Manchester Arena terrorist attack, he was the closest casualty to the bomb blast to survive. Martin suffered 22 shrapnel wounds and underwent a lifesaving operation at Salford Royal Hospital. He is determined to defy medical experts who told him he would never walk again as he was left paralysed from the waist down.</p> <p style="font-size: small;">Martin talks with passion about his depression and PTSD and how he has learnt to live with this condition. He will share some of the techniques he uses to remain resilient and how he looks after his mental health and wellbeing.</p> <p style="font-size: small;">Martin is now the Vice President of the Spinal Injuries Association, and in September 2023 hand cycled up Kilimanjaro raising £1m for the charity.</p>	
16.50-17.00	Interactive Q&A session, Feedback forms & Close	All
